

## *New Forest Biodiversity Forum*

### **An introduction to the Environment Agency's Monitoring of Water Quality in the New Forest**

**Shirley Medgett (Analysis & Reporting Team Leader, Environment Agency)**

- An overview of monitoring that the Environment Agency undertakes in the New Forest.
- The different types of monitoring that we use and why.
- How we use this data and information.
- What EA data you can freely access and how.
- Our new initiative to support Citizen Science monitoring in the New Forest - introducing Matt Owen-Farmer.
